Rand Refinery

Poised to launch into another 90 years of pioneering history, Rand Refinery has been at the forefront of precious metals refining and smelting for more than 90 years.

We put refinement into everything we do, constantly striving towards attaining flawless perfection. And in this process, we have moved to encompass the entire precious metals value-chain, offering more customers more opportunities. We are a full service global player in a dynamic and ever-evolving world market.

RandPure™

As a further measure of Rand Refinery's commitment to sourcing and producing only the best, the company has introduced the RandPure™ mark - an iconic symbol that not only guarantees responsibility from mine to retail, but also exceptional fineness and craftsmanship. The following elements are used: excellent craftsmanship, absolute fineness, conflict free, virgin metal, contributes to development.

Wild Africa. Refined.

Tailored solution for diverse needs

With our focus on the full precious metals value chain and our world-class smelting, refining and value-added beneficiation of precious metals, we are able to offer a diverse range of tailored solutions when it comes to both services and products. This enables us to effectively meet the diverse needs of our customers.

At Rand Refinery, we continually invest in improving our technology - enhancing the capabilities of our processes and refining our service delivery and products.

Krugerrand
22CT GOLD COINS

Ps	Product Specifications
MATERIAL	22ct Au 91.67
WEIGHT	1oz, 1/2oz, 1/4oz, 1/10oz

Krugerrand

The Krugerrand is South Africa's flagship gold coin. As the first ever gold commemorative coin, created in 1967, the Krugerrand is still the most widely traded bullion gold coin in the world. Manufactured in traditional rose gold (22ct), the classic design of the Krugerrand reflects South Africa's historical and natural heritage. South Africa's national animal, the Springbok is depicted on the reverse of the coin, while the relief effigy of Paul Kruger is portrayed on the obverse.

Mirage Series: Wildlife
THE ELEPHANT

Ps	Product Specifications
MATERIAL	24ct Au 999.9
WEIGHT	100g, 50g, 1oz, 10g

Mirage Series: Wildlife (Elephant)

The Mirage series reflects the essence of Africa through the sophisticated elegant portrayal of the African elephant matriarch and her calf. The design depicts the mirrored image of the silhouettes of two elephants surrounded by a sphere, reminiscent of an African sunset. The word mirage appears at the bottom of the design.

Mirage Series: Marine
THE DOLPHIN

Ps	Product Specifications
MATERIAL	24ct Au 999.9
WEIGHT	100g, 50g, 1oz, 10g

Mirage Series: Marine (Dolphin)

The marine wealth of South Africa is depicted by the reflection of a diving dolphin in silhouette. The mirror image is a trademark of the mirage series together with the moon-like sphere highlighting the movement. The different finishes on the two dolphins emphasises the reflection aspect of the design.

Mirage Series: Savannah
THE ACACIA TREE

Ps	Product Specifications
MATERIAL	24ct Au 999.9
WEIGHT	100g, 50g, 1oz, 10g

Mirage Series: Savannah (Acacia Tree)

This design features the mirrored silhouette of the African Acacia tree, an iconic African feature. The serenity of the mirror image captures the essence of South Africa's landscape. The sunset is depicted by a stylized circle in the background whilst the surface finishing of the design differentiates slightly to create the reflection.

Loxodonta
LOXODONTA AFRICANA

Ps	Product Specifications
MATERIAL	24ct Au 999.9
WEIGHT	100g, 50g, 1oz, 20g, 10g, 5g and 2g

Loxodonta: Loxodonta Africana

The African bush elephant or *Loxodonta Africana*, is the largest living terrestrial animal. The Loxodonta minted bar features a stylised repetitive design of these extraordinary animals. The two dimensional image of the elephants is repeated on the reverse of the minted bar, whilst still capturing an important icon of the African bush to represent South Africa.

Year of the Horse
STANDARD EDITION

Ps	Product Specifications
MATERIAL	24ct Au 999.9
WEIGHT	100g, 50g, 1oz, 10g

Year of the Horse: Standard Edition

2014 is the year of the Horse. Mankind's faithful companion is depicted here jumping through a fire-like design. The horse or *Ma* as it is called in China, symbolizes reliability, masculinity and endurance in the Chinese cosmology. The reverse surface finishing on the design gives a dynamic feel of movement in metal flow of the 24ct gold bar.

Year of the Horse
CHINESE EDITION

Ps	Product Specifications
MATERIAL	24ct Au 999.9
WEIGHT	100g, 1oz, 10g

Year of the Horse: Chinese Edition

2014 is the Year of the Horse in Chinese Astrology. A running horse is depicted on this minted bar with the stylized texture of wood in the background. The Chinese symbol for “Year of the Horse” with the date below is depicted on the right-hand side of the design.
